Punch and Judy Sep 02 2022

Punch and Judy Nov 23 2021 Excerpt from *Punch and Judy: The Original and Only* Punch and Judy, Direct From London There is one peculiarity about Piccini's puppets which deserves no tice: they were much better carved, the features having a more marked and comic expression than those of his rivals. He brought most of them over with him from Italy, and he complained that in England he had not been able to find any workman capable of adequately supply ing the loss if by chance one of his figures had been broken or stolen. Why his Punch was made to squint, or, at least, to have what is known by the epithet of a swivel-eye, unless for the

sake of humor or distinction, does not appear. Besides Piccini's representation, we have compared the following pages with, and corrected them and made additions according to, the text of our professional performances and the exhibitions of other perambulatory artistes (as our neighbors term them) now flourishing. Punch and Judy Mar 16 2021

Punch and Judy in 19th Century America Nov 04 2022 The hand-puppet play starring the characters Punch and Judy was introduced from England and became extremely popular in the United States in the 1800s. This book details information on nearly 350 American Punch players. It explores the significance of the 19th-century American show as a reflection of the attitudes and conditions of its time and place. The century was a time of changing feelings about what it means to be human. There was an intensified awareness of the racial, cultural, social and economical diversity of the human species, and a corresponding concern for the experience of human oneness. The American Punch and Judy show was one of the manifestations of these conditions.

Punch and Judy Dec 01 2019
