They betrayed me. Three boys I thought I knew. Leaving me with the one I thought I hated most. It was him who carried my broken, beaten body. Him who cleaned my wounds and held me tight. The prince to my princess. Lies. I won't be that girl anymore. The one who fell for their smooth words and smoldering looks. Colt is key to never being her again. There's still a killer on the loose. Still a murder left unsolved. Still three boys who own my heart. But some dangerous little secrets are better left buried. His is one of them. Dangerous Little Secrets is the story of three bad boys and a girl who knows how to stand her ground. It is a mature high school/new adult, #whychoose romance, meaning the main character has more than one love interest. This book contains enemies-to-lovers and bullying themes. It is the second book in an ongoing trilogy and cannot be read as a standalone. Book 1 is Devious Little Liars. Download or 1-click this hot new romance today. I'll be the first to admit it...my rise to power hasn't gone entirely as planned.I'm still getting over Thana's betrayal and the news of the Mad King when a long-lost war hero reappears at court. He's beguiled the nobles, but I'm not so easily swayed or quick to trust.At least amidst all the chaos has been one constant; my males. They've been there at every turn, and I'm falling deeper in love with them every day.But the secrets are starting to pile up and weigh on all of us. Our forbidden romance and the matter of my multiple graces being the least

of them...so why do I feel like the secrets others are hiding could be even more destructive than my own? My males would give their lives to protect me, but I don't think they realize how much I'd sacrifice to ensure that never happens. **BOUND BY SECRET** is the second installment in The Queen's Consorts series, a medium-burn reverse harem fantasy romance! #WhyChoose Scroll up and one-click now! "Madison Kate Danvers was murdered tonight." Those words changed my life, and not for the better. They were wrong, of course. I wasn't dead. But I was set up. After being charged with a string of offences--and made an example of by my political minded father--I'm eventually released back into Shadow Grove with one thing on my mind. Hate. Someone is going to pay for derailing my carefully laid out future. Someone is going to catch the full force of my hate. How very convenient that someone just moved into the bedroom down the hall from me. Archer D'Ath and his boys messed with the wrong chick and they're about to learn just how cold Madison Kate's hate can run. **HATE** is a full length mature college/new adult romance with enemies-to-lovers/love-hate themes. This is a reverse harem novel, meaning the main character has more than one love interest. This is book one of four in the series. Seven men. One for every day of the week. A story too sexy to pass up. Chicago University newspaper is going under. I need to save it. Everyone says sex sells, and what is sexier than a polyamorous relationship? One woman. Multiple men. Now that's how you sell papers. But my plea for such a woman to come forward to an interview has unexpected consequences. All I get are Dirty sexts asking if I want first-hand experience. I shouldn't give up my v-card and get involved with seven men. I'm not that desperate to save the paper. Or am I? The men pursuing me are making it hard to say no, as they start to become my secret fantasies every day of the week for different reasons. Mr. Monday's bold and says precisely what's on his mind. Mr. Tuesday's sensitive and listens to my every need. Mr. Wednesday's compassionate, the kind of guy who knows what he wants but doesn't just take it. Mr. Thursday knows how to spice things up. Mr. Friday's tall, dark, and handsome, his sultry eyes always have me coming back for more. Mr. Saturday's always wants to be in control. Mr. Sunday's quiet and mysterious, an enigma that I can't wait to unravel. I always knew I would have to go all-in to become a respected journalist. The more I talk to them, the more I want to know them not only online, but offline too. They are promising to do things to me that are so dirty; I can't sleep at night. I never imagined all-in would mean sacrificing myself for a story. Especially, with the bully writer, who's jealous of the attention that my stories keep getting. I need to keep it a secret if I do decide to play out my fantasies because if the truth comes out, I don't know if we will all survive the wreckage. Author's Note: **Daily #teXXXt** is a stand-alone reverse harem with a mixture of bullying, romance, humor, and even suspense. This is an **MMFMMMMM** book with over 80,000 sizzling words, with no **MM** scenes. There's no cliffhanger and no cheating. There are multiple partner scenes, so make sure that not only is your Kindle ready, but you have a towel nearby too It was like being worshiped. Cherished and celebrated and fulfilled, by three of the most beautiful men I'd ever

laid eyes upon... All at the same time. It was supposed to be fun - a holiday break from studies in the Italian Alps. Yet when a remote college ski tour is shattered by a horrific avalanche, mild-mannered Morgan finds herself trapped in the frozen realm of an abandoned hotel... alongside three alpha fraternity brothers who hold a vendetta against each other! Enter Shane, the restless, brooding outdoorsman from Minnesota. Jeremy, his blue-eyed model of a fraternity brother, almost too gorgeous to look at! And finally Boone, the legendary tattooed alpha from a much darker inner circle... who might not be even remotely what he seems. As the snows continue to fall and danger lurks around every corner, survival depends upon complete cooperation. Yet as Morgan is forced out of her shell, and faces her own budding attraction for exactly the type of men she's always avoided? Their own competitive jealousy over winning her drives them to a wickedly intriguing proposition... Bunker down with self-described 'geek' Morgan and her three gorgeous studs as the blizzard of the century threatens all chance of rescue. Will irreconcilable differences tear the whole group apart? Or will the guys find common ground in their shy but beautiful co-ed - the only one with the skills and knowledge that could ultimately save them all? Snowed In is a sexy, stand-alone reverse harem romance filled with humor, danger, and generous amounts of love. It also contains blistering hot MFMM menage sex, in single and multiple partner scenes so molten they're bound to melt your kindle! HEA guaranteed. A Reverse Harem Bad Boy Romance I should hate them, yet there's no denying my body reacts to their every touch. When my ancestors lost everything in a business deal gone wrong, they were forced to make a sacrifice-a blood oath, promising the firstborn daughter of their bloodline to a league of vampires. And now they've come to collect. Atlas. Kade. Gabriel. Lex. All seductively sexy and unimaginably dangerous. Torn from everything I've ever known, they take me captive in their Washington, D.C. mansion. Each is determined to own me-body, heart, and soul. I'd be lying if I said the thought of that didn't make my skin tingle in anticipation. Still, the alluring immortals are in for a surprise, because ancient debt aside, I'm not going down without a fight. Bound in Crimson is the first installment in a sinfully sexy reverse harem paranormal romance series that is sure to leave readers gasping for more! A few months ago my life depended on a few seconds - and on three firemen who saved my ass. I owe them, big time. And I would do anything to show them just how grateful I am for this new me. Because, since the accident, I have been different. Bold. Adventurous. Carefree. Now, when opportunity knocks on my door (quite literally), I'm willing to do whatever it takes to have all three of them, even if it will only be for a night. Just like Cinderella, I'm going to a ball. I can only hope that instead of a pumpkin, something else will explode at midnight. Note from the Author: This is a slow burn Reverse Harem, Why Choose Romance in 5000 words. It being a short story, expect insta romance as well as a cliffhanger. This is Book 1 in the Reverse Harem Chronicles Series, with more stories to come every week. Some characters will stay with us for the duration of several books, while there will be standalones in the series, too, and every book can be read on its own. It's highly recommended though that

books in the same fantasy niche are read in their order of publication. Includes mature scenes and dark humour. You have been warned. Noah, Bryce, Lucas, and I grew up together, and while I was forever just one of the boys, I never had a problem with it. I never saw them as anything more than my best friends... until one dry spell stretched for way too long. That was when I started to learn how they really felt. There was just one problem... how was I supposed to choose between the three of them? I felt something for all three of my boys, and I had to find an answer that made everyone happy. I couldn't stand to lose one of them in favor of another. Luckily, as things fell into place, I quickly learned that I didn't need to choose between them. How many secrets can a person hold? Erin hoped that her boarding school scholarship would be the new start she desperately needed. Instead, she found herself the enemy of the most powerful girl in school. Without a home to go back to, she has to figure out how to survive four years at Spellman-Hawk High School. Dodge Hawk's sister might hate the new, smart girl in school, but Dodge doesn't feel the same way. Regardless of what he does, though, the quiet girl won't look at him, less be his friend. Dodge needs her help desperately as his friend returns from treatment, struggling with both addiction and school work. Erin could be the answer to his prayers, if only she would speak to him. Liam Howe is torn apart by the family that holds his heart. He can't help his twin, a recovering addict; his father, fearful of losing his life's work; his mother, a suicide survivor; or Dodge, his brother by choice, who can't defy his own family to choose his future. With nothing more to give, he needs another partner to shoulder the load. Noah Howe lives in a world he can hardly stand or understand. Amidst the cacophony of a private high school, he fights to control his body and his mind. Why can't he live up to his father, his brother, or even himself? One suicide attempt behind him, Noah hopes he can move forward. But how can he do it without overwhelming his beloved twin? Warning: While the first book in this series contains very little explicit sexual content, later books do. This and later books contain mature language and subjects, including suicide, rape, substance abuse, racism, and violence. My name is Thessaly, and at 22, I still don't know what I want to be when I grow up. Living with my parents, going to college, and hanging out with friends is pretty much the extent of my mediocre life. The biggest drama I have going on with me is fighting a growing attraction toward my best friend Bram. Oh and avoiding needles—specifically ones that draw my blood. See, on January 27, 2044, the DNA Networking Act was set into action. This new law provides those in authority to gather genetic information from citizens in an effort to achieve nationwide resistance to diseases and other weaknesses. Sounds promising, right? Maybe. But to me, it infringes on a person's freedom. The act prohibits citizens from declining to undergo genetic testing when summoned, and the deadline for everyone to voluntarily submit a DNA sample is fast approaching. I'm avoiding the process as long as possible. Until one night the unthinkable happens: I'm ruthlessly abducted. Bleeding is no longer voluntary; it's a requirement. And as it turns out, my captors aren't anything like I expected. Fear. Friendship. Betrayal. Lust. Hate. Passion. Despair. It's no-holds-barred in this fast-

paced Sci-Fi Reverse Harem Romance. "It's catty, snarky, funny and also, triumphant." My gay bestie introduced me to a new way to make money and a new sort of social club. And then there were the four gorgeous men he sent my way. This hot, over-the-top romance involves four hot alpha dudes and a strong woman who gives them a run for their money. If you love outrageously naughty stories as a way to indulge your wildest fantasies, then this is for you. This book is intended for mature, 18+ audiences only. It is graphic, so you might want to read it in private! It'll take all three alphas to catch this omega. Farrah has done whatever it takes to raise her fifteen-year-old son, Knox, on her own. The boy's fathers, the three alphas she was best friends with as a teenager, know nothing about him, and she's never planned on telling them. However, when Knox goes missing, Farrah has no choice but to ask for their help. Ryder, Pax and Blake have long carried the guilt of sleeping with Farrah during her heat, afraid that they'd taken advantage of her. When she shows up asking for their help, it's a second chance they don't intend to waste. The four work together to find Knox, but their past—the secrets, the guilt, the regrets—isn't so easy to resolve. Can they save the child they share and heal old wounds, or will their happily ever after slip away yet again? The king is dead. Long live the queen. Lexi has been torn in three. With each piece of her scattered to a new corner of the universe, it will take all of her strength, plus the men she loves, to put things right. But fate isn't done screwing with her yet. The trials she's faced in the past are nothing, compared to what awaits on the other side of death. None of the possibilities before Lexi are desirable—surrender, die, or fall headfirst into the unknown. But the choice may no longer be hers.

brings a group of people together quite like a dead body. Patience is rocked by the death of one of their own, but not everyone is

in mourning. Now alliances are shifting, and sometimes the only way to stay alive is to choose the right side. Not everything is as it seems in *Patience*. Some are sinners. Some are pawns. And now they're all pretending to be saints. *Saints* is book two in a series of full-length reverse harem high school bully romances. Some scenes portray subject matter that may be difficult for some readers. Enjoy at your own risk! Mijn voet bleef ergens aan hangen. Ik probeerde hem los te trekken, maar iets klemde zich rond mijn enkel. Ik ging gillend kopje-onder. Mijn mond vulde zich met water toen het meer zich boven mijn hoofd sloot. Ik vocht, schoppend en om me heen slaand, en graaide naar wat het ook was dat me vasthield. Mijn vingers streken langs iets zachts, en mijn hersens krijsten: Serena! Maya Delaney woont in het kleine onderzoeksdorpje Salmon Creek en voelt zich sterk verbonden met de natuur. Maar dan beginnen er vreemde dingen voor te vallen in het dorpje. Een jong meisje verdrinkt op mysterieuze wijze in een kalm meer, poema's verschijnen rond Maya's huis en haar beste vriend Daniel voelt zich opeens niet op zijn gemak bij bepaalde mensen en dingen. Een van die mensen is Rafe, de nieuwe bad boy van het dorp, die wel heel geïnteresseerd is in een specifiek detail van Maya: haar tatoeage in de vorm van een pootafdruk. *Samenzwering* is het eerste deel in de *Darkness Rising*-trilogie *What could be better than falling into bed with a seriously hot guy? Waking up sandwiched between three of them. It started with an article - the most important one of my life. It ended with me in bed... with three ripped, beautiful men. A trio of gorgeous best friends, who shared absolutely everything. There was Adam, the shredded blond Adonis, hellbent on saving his father's construction company. Dante, the dark-haired pretty boy, with heart-stopping good looks and a devilish smile. Finally, Trey. Six-foot five, with shoulders that stretched on forever. A three-letter athlete with an engineering degree from Cornell, hiding his own twisted secret from the world. I never meant to get attached to them. They weren't supposed to fall for me. We got caught up in the chemistry; a dripping hot whirlwind of twos and threes and fours. And me, caught in the eye of the whole wicked hurricane. Torn between the sanity of normalcy, and the forbidden heat of my deepest, darkest desires.* *SHARING HANNAH* is a scorching, stand-alone reverse harem love story filled with humor, suspense, and sizzling hot scenes, molten enough to melt your kindle. HEA guaranteed! The last few months of Mia Harrington's life have been tumultuous, to say the least. Losing her father, the bombshell in his will, followed by her multiple whirlwind romances and subsequent marriage-it's little wonder she's so thrilled to be spending three weeks in a tropical paradise with her four men. Rest, relaxation and a hefty dose of fun is precisely what they all need. But the unconventional honeymoon isn't all sea, sun, sand, and scorching sex. Back home in England, they have careers, responsibilities, other things that take up their time. Being in each other's pockets on a tiny island is a challenge-but is it one they can rise to? Will this make or break their relationships? And when being away from it all gives them time to think, what impact will that have on the decisions they make about their futures? *Forbidden lives, forbidden love... Britain, circa 2028: a nation devastated by war waged between a dictator and a new subrace of Magick-infused humans,*

known as Anomalies. A handful of us birthed B.L.A.Z.E., to resist Prime Minister Wentworth and the Sovereignty. It was only a matter of time before they found us. My name is Penelope Starling, and my very existence is a criminal offence. Myself and four fellow Anomalies are all that remain of B.L.A.Z.E.: My burly Scotsman Duncan, whose speed, strength, and loyalty have saved my arse countless times; Alfie, my hot-headed pyromaniac and childhood best mate; Oliver, my sweet tech-genius; and the newcomer, the beautiful and bizarre enigma, Rhys Shields. Despite their differences, and my responsibilities as their Lieutenant, my heart is starting to burn for them--all of them. Now, I vow to do whatever I must to keep the men I love alive. Wentworth may think he's stamped us out, but if our tiny brigade is willing to fight, and fight together? This war isn't over. Not yet.

B.L.A.Z.E. is still very much on fire; And that's a bloody promise. *Blaze of Chaos* is the debut reverse harem romance 55,000 word novel from C. Strange. It is sultry, high heat, and loads of fun. Meet Penny and her boys! FROM BESTSELLING AUTHOR OF REVERSE HAREM ROMANCE JAYCE CARTER Book two in the Grave Concerns series People have told me to go to hell—I guess they finally got their wish. I've finally accepted the fact that I might not be entirely human, but still life doesn't give me a break. Instead, I'm sucked into hell at Lucifer's demand, and realize death is even more complicated than my life was. I have to survive hell—where everything wants to kill me—so I can confront the devil himself. My love life is even more complex, though. Troy is terrified of his werewolf side hurting me, Kase and Grant are lying to me and Hunter is keeping his own secrets. I know better than to trust anyone, especially the men who have taken over my life. Get to Lucifer's Court, find out the truth about the missing spirits, figure out exactly what I am and try not to die along the way. Oh, and don't fall in love with the men who will for sure break my heart and possibly get me killed. Easy enough, right? Three trapped shifters. A princess destined to rule. One man standing in her way. The king is dying, and I've been tasked with saving the kingdom. But, I'm not sure I want to. My name is Annalise, and I am the sole heir to the kingdom. Problem is, women aren't allowed to rule. Thanks to an outdated decree my father has refused to amend, he's promised my hand in marriage to a man I've only just heard of, without my consent. The whole court seems to be under the spell of my betrothed, and I'm the only one who can see through his outward beauty to the evil within. Now, I only have a few weeks to find a way out, or end up married to the brute. I have no idea how I'll do it... until I meet them. My pets. My leopards. My strengths three-fold. *HER BETROTHAL* is a full-length slow-burn fantasy romance novel and the first in the Royal Shifters series. *The Complete Royal Shifters Series Book One: Her Betrothal Book Two: Her Highlander Book Three: Her Viking Book Four: Her Warrior Book Five: Her Prophecy Could you handle 10 MEN?* I'm about to move in with the McGregor brothers; ten of the most gorgeous men in the Northern Hemisphere. Ten! Yeah, I said ten. They're the sons of my mom's boyfriend who is the owner of the largest property development company in the state. I google them. Of course, I do. And I drool on my computer. I'm not ashamed to admit it. If you saw them, you

would too. But then I pull myself together. They're going to be my stepbrothers so lusting after their chiseled abs and sexy faces is just flat out wrong. ut I can't help myself when I meet them. It's just overwhelming to be in the presence of SO MUCH MAN. Then I overhear them all talking about 'the plan' and I'm flabbergasted. Finding the one is hard enough...finding ten has to be impossible. Or is it? "Our love is so much more than a mere catastrophic occurrence." My name is Freya Wilson. I am not your typical girl next door. I'm far from it. As my mother likes to point out since I graduated high school, I should be planning my life instead of wallowing around the house, in my pajamas all day. Girls my age are either preparing for college or taking advantage of the warm summer days that California provides in spades. She doesn't understand why I prefer to be stuck in my room, watching the world pass by. But there is a reason to my melancholy that she will never know. I'm in mourning. I morn a love I can never have. A love that if anyone were to learn about its existence, I would be judged and ridiculed. Branded with names too ugly to mention. Years ago, I had made the ultimate sacrifice so no one would discover my secret. However, now my secret is being put to the test. I will need to overcome one last obstacle. When fate brings me to live under the same roof temptation lies, I fear I might not be strong enough to hide my feelings. The moment I set foot inside it, my life takes an unexpected turn and the vision I once had of eternal solitude, seems out of reach. The chains I have weaved around me are no match for the allurements the house next door provides. There is no running away from love, and I was a fool to think otherwise. This love story involves five alpha knights that will do anything to get their princess back. If you believe that love conquers all, and adore all things Reverse Harem than this book is for you. *Bad Influence is a Contemporary Reverse Harem Romance series. Each book is a standalone novel, with all new characters and brand new love stories. *Recommended 18+ due to mature language and situations. Fate smiles upon the wicked. Tara: The goal was not to go back to Fate. I never wanted to step foot in this damn town again, but destiny had other plans for me. My first day as a teacher at Fate High School is far worse than anything I could have ever imagined. Not a damn thing has changed since I was a student here except for the faculty. I can't help but notice that three of the other teachers are tall, dark, and deadly. They're handsome, and they're a little bit wild, and they're kind of intense. And they've got their eyes set on me. What the hell am I supposed to do? This is a reverse harem story with steamy scenes, bad boys, and bullying. Expect swearing, expect bad choices, and expect our heroine to refuse to choose between her three bad boys. Addison has lived her entire life haunted by her mother's reputation. At school, girls whisper about her, boys take her for granted and the other mothers say she's like venom. After being disappointed once again by her own mother, she decides to run away from her hometown, eventually arriving in a city where prejudice has no place, Selcouth. Taken in by three attractive and mysterious men, she realizes that maybe she's not that different from her mother. Because Garret lets her have fun. James lets her be. And Rob forces her to accept the darkness she always knew she had inside her. The things is, in a big, isolated farm, the

lines can become blurred between a lost girl and three stubborn men. Starting all by her own, Addison realizes that finally, without her mother's shadow and out of the perverted city she grew up in, she can finally be herself. Venom is a reverse harem, small-town romance, where prejudice has no place. They are no knights in shining armor, but I'm sure as hell no princess. I belong to five men now. I gave them not only what was in my head, but also my body. Secluded in a cabin in the middle of nowhere, I'm learning more about what these men do to survive, and what I'll need to do if I'm to survive with them. Though my instincts tell me to hunker down and enjoy the dangerous pleasures these men have to offer, my heart tells me we have to move. With my aunt in peril, a new mission takes me back home. But a turn of events allows me to delve deeper into the men's secret world, and unravel the mystery that binds us together—the secret of what my father died trying to protect. Will we get what we came for, or will our combined foe threaten the safety of us all? And will the delights I find in the dark of night, still be with me when the day breaks? Book two in a brand new Reverse Harem series, with a dark romance twist. It takes three alphas to tame this wild omega. Left scarred and untrusting after an attack, Kara doesn't let people close—it only leads to heartache. When a job goes wrong, she's stuck working with the three uptight and disapproving alphas who hired her, in order to clear her name. She has no problem sleeping with them, but that's as far as she can ever let it go. Cullen, Reese and Damon are used to dealing with criminals in their work as private investigators, but they've never met anyone like the wild omega, Kara. When working for them lands her in trouble, they have no choice but to finish their case with her. They've always wanted to settle down with a quiet, sweet omega who would listen and stay safe, and it's obvious Kara isn't any of those things. Each taste they have of her shows them how happy they could be...if only they could tame her. As Kara and the alphas delve deeper into the shadows to track the missing omega, the differences between them seem insurmountable. Even as danger surrounds them, Kara clings to her need for freedom while the alphas believe changing her is the only way to keep her safe. If they can't learn to trust one another in time, the secrets they chase will pull them all under. Three gorgeous shifters. A queen on the run. One thrilling Scottish adventure. The king is dead, I've run away from my throne, and my new husband is hunting me down. My name is Annalise, and I am a runaway queen. But I'm not abandoning my people. I've just found out that I'm the supposed key to unleashing a dark magic upon the world...and I've learned this from my pet leopards nonetheless. I'd try to explain, but I don't think that will make things any less confusing. Now, I must journey to Scotland with three massive, and ridiculously beautiful, shifters in tow to try to convince Roan's kin to help us defeat my husband. I have a lot to learn and long ways to go. I don't know how I'm going to do it, but I am determined to make it with the help of Li, Ero...and Roan. Roan. My green-eyed leopard. My redheaded lover. My highlander. HER HIGHLANDER is a full-length slow-burn reverse-harem fantasy novel and the second in the Royal Shifters series. The Complete Royal Shifters Series: Book One: Her Betrothal Book Two: Her Highlander Book Three: Her

Viking Book Four: Her Warrior Book Five: Her Prophecy BOOK THREE in the Sacred Oath Reverse Harem Paranormal Romance Series. Book 1 is ANGEL After being taken prisoner by the false king, I learn Variant is nothing like I imagined him to be... His hair is as fair as the curtains that drop from the ceilings. Darker than mine by merely a shade or two. The golden hue of his skin contrasts sharply with his white robe and captivating green eyes. Lush lips and slender brows complement the regality of his features. "Angel," he says as huge, white feathered wings unfurl from his back, arching out ten feet in each direction. I feel my eyes widen as I take in their incredible beauty. He flaps them a few times and the wind carries across my face, bringing with it the clean yet woodsy scent of the man, himself. Variant is far more beautiful than any male or female has the right to be. But that doesn't mean he isn't going to kill me.. And kill me he will. After all, Variant destroyed all the angels before me, so why should I be any different? Worse still, what will he do when he finds out I'm half Succubus? The more time I spend with Variant, the more I realize the false king is as complicated as he is unpredictable. And though I hate to admit it, the Succubus within me wants him. Maybe almost as much as Variant appears to want me. If Dragan, Cambion and Baron knew the thoughts going through my head and the feelings Variant causes within my body, they would despise me. Almost as much as I despise myself. When Dragan finds a way out of the prison dungeon and the five of us escape, we'll learn a secret even more surprising than the fact that Variant keeps me alive... THEMES: --Reverse Harem Paranormal Romance --Bully Romance --Why Choose? --Explicit Language warning --Explicit Sexual content --Humor THE SACRED OATH SERIES: 1. Angel 2. Dragan 3. Baron 4. Cambion 5. Variant (Coming Soon!) Witches were warriors once. Mika took the title of Head Witch with blood and told the world about a sub-class of witches they thought were long gone. Now she has to deal with the Angel of Death, the Council, and somehow keep everyone she loves safe while they prepare for a potential war. Where it will come from though, that's the real question. Can Mika use her new powers to keep everyone safe or will Death finally find her? This is a slow burn reverse harem academy series. The series will have MM in it. All paranormal books by Emma Dean exist in the same world - the Council of Paranormals. When duty & jealousy collide, the flames of temptation are fanned between one forbidden woman & three brothers Natalia has always known that she was promised to a man 25 years her senior. However, after the Novello brothers, come to the aid of her father, feared mafia Don Frank Costello, everything changes. He's king of the underworld. The Don of NYC. He has money, drugs, guns, thriving businesses and half the police force under his belt. So when he offers the brothers payment for helping him, he's surprised when the only thing they demand is Natalia. Unable to refuse their offer, Frank reluctantly hands over his only daughter to the Novello brothers and a war breaks out between the three families. When duty and jealousy collide, the flames of temptation are fanned and the only thing standing in the way of bloodshed and war is the promise of seduction from the only daughter of Frank Costello. Can there ever be life after the

Brotherhood take their payment from her? Or does the ultimate betrayal lie in her own blood? Inspiration builds empires one day and topples them the next. The battle with the gods isn't going the way Lexi anticipated, which forces her to side with the lesser of two evils—Zeus and the asinine inventor he swears will make things right. Icarus has no interest in helping the bratty hero who broke things that didn't belong to her, but his attraction to Lexi is impossible to ignore, and the things she can do with illusion inspire him in new and amazing ways. Icarus is only the beginning of Lexi's problems. Cerberus is keeping secrets. Actaeon's past love is back in the most inconvenient manner imaginable. And the dead are trying to increase their numbers by calling loved ones to the other side of the veil. To make matters worse, Lexi can hear those voices crying in pain. Suddenly working with Icarus doesn't seem like such a big deal. Can she hang onto her sanity long enough to save the world from her father?

A REVERSE HAREM PARANORMAL ROMANCE FROM BESTSELLING AUTHOR JAYCE CARTER Book one in the Grave Concerns series Ghosts, corpses and four hot men—what's a girl to do? Abandoned at three—whose parents want a kid who sees ghosts?—I learned the world is quick to punish misfits. I try my best to be a normal, boring human, but the call of the supernatural just won't be ignored. When a stranger shows up on my doorstep in the middle of the night, it's no sexy tryst. Instead, I'm off to the graveyard, digging up the corpse of a murder victim at the demand of the local vampire coven—and that small felony is just the start. The spirit of the woman has gone missing—something that shouldn't be possible—and everyone is looking to me for answers. There's Kase, a vampire who's both terrifying and secretive. Grant, a mage with a bad attitude and a lot of power. Troy, the possessive werewolf-detective next door and Hunter, a mysterious bad boy who isn't even close to human. It's a race not just against time but against everything to figure out where the spirits are going, who's behind it and if I can trust the men who now share my bed. And all because of a little grave robbing... Summoned as a weapon in a werewolf war, the last thing this demon expected was to fall in love. Three hotter-than-hell wolves control my every move. No creature-demon, man, or wolf has ever resisted the allure of my succubus power. So, when these wolves defy my charms, I only want them more. But this very anomaly means I can't fulfill the task I was called to perform. A mission I must complete to have a chance of returning home to the only family I care about. Even if leaving means giving up my shot at true love. If you love why choose romances, sexy werewolves, demons, and magic, grab this steamy, reverse harem paranormal romance now.
